

Introduction to

Programming with Python

Libraries

modules

random

docs.python.org/3/library/random.html

import

```
random.choice(seq)
```

from

```
random.randint(a, b)
```

```
random.shuffle(x)
```

statistics

docs.python.org/3/library/statistics.html

command-line arguments

```
python hello.py ...
```

sys

docs.python.org/3/library/sys.html

`sys.argv`

IndexError

`sys.exit`

slices

packages

PyPI

pypi.org

cowSay

pypi.org/project/cowsay

pip

APIs

requests

docs.python-requests.org

JSON

docs.python.org/3/library/json.html
